

I am concerned about the current proposal to allow LPFM stations to take priority over FM translator service. I listen to the Christian music station, K-Love. This is a family-friendly, wholesome station which provides inspirational, encouraging messages to all. My two teenagers even choose to listen to K-Love!

I travel weekly on business. No matter where I am in the United States, I tune into and continue to listen to K-Love which provides me comfort and peace.

I do not support the current proposal regarding the LPFM issue and hope you choose not to move forward with it.

Thank you.
